ORDER NO.

SUBJECT:

DOCKET NO. 2010-67-E - Joint Petition of Mid-Carolina Electric Cooperative, Incorporated and South Carolina Electric & Gas Company for Reassignment of Territory in Lexington and Saluda Counties, Exchange of Certain Customers and Approval of an Agreement to Limit Corridor Rights - Discuss this Matter with the Commission.

COMMISSION ACTION:

The responses to the surveys that Mid-Carolina Electric Cooperative, Inc. and South Carolina Electric & Gas Company sent to customers affected by the proposed reassignment of service territory in Lexington and Saluda Counties, indicate that a majority of affected customers either do not oppose the change in service provider or did not respond. The reassignment of service territory will also remove two distribution lines crossing Lake Murray and promote more efficient use of each service provider's system. Therefore, I move to approve the reassignment of service territories in Lexington and Saluda Counties as being in the public interest.
